

Route #7 bridge replacement will cause delays and detours

Find alternate routes to our office

The bridge located on Route #7 that crosses I #87 (the Northway) will be replaced in a 9-month construction project that will begin on February 22, 2010. Exit #6 will be closed on four weekends, the first is scheduled for March 6-8, beginning at 10 p.m. on Saturday, March 6, and extending to 6 a.m. on Monday, March 8.

The construction could involve significant delays and detours.
