

SHARING  
IS  
EASY.

## With shared branching, accessing your Community Resource account is easy.

Credit unions from all over the country share facilities to give you thousands of convenient locations to perform transactions just as if you walked in to our office. Whether you're at work, home, or your favorite travel destination, your Credit Union is always nearby. You can make inquiries, deposits, transfers, and withdrawals\* on your account, as well as pay loans and receive loan advances.
